PROFILE SUMMARY

Final-semester CSE student at United International University with a strong foundation in backend development, network security, and systems programming. Experienced in building full-stack web applications, researching ML-based WSN security protocols, and managing a real-world online business (ABL Delight). Seeking opportunities to apply technical expertise in a challenging professional environment.

EDUCATION

2021 – Present B.Sc. in Computer Science & Engineering

United International University, Dhaka

CGPA: 3.82 / 4.00 · Final Semester (4th Year)

2018 – 2020 Higher Secondary Certificate (HSC) — Science

BAF Shaheen College, Jashore

GPA: 5.00 / 5.00 · Passed 2020

2016 – 2018 Secondary School Certificate (SSC) — Science

Meherpur Govt. High School

GPA: 4.78 / 5.00 · Passed 2018

PROJECTS & EXPERIENCE

HireMe — Job Matching Platform

Full Stack · Flask · MySQL · HTMX · SocketIO

github.com/Knocktern/HireMe

- Built a full recruitment platform with real-time video interviews & technical exams.
- Implemented multi-role support for candidates, employers, and interviewers.
- Integrated WebSocket for live notifications and chat features.

SecureWSN — ML-Based WSN Security [FYDP — In Progress]

Research · NS-3 · Python · Machine Learning

- Designing an ML-driven routing protocol for Wireless Sensor Networks.
- Focuses on detecting and mitigating malicious node attacks.
- Optimises energy efficiency alongside security performance.

Green Computing Project [In Progress]

Research · Python · Distributed Systems

- Researching energy-efficient strategies for distributed systems & data centres.
- Implementing optimised scheduling and resource allocation algorithms.

ABL Delight — Online Baking Business

Entrepreneurship · Branding · Marketing · Figma

facebook.com/profile.php?id=61569430600485

- Founded and manage a small online baking business from scratch.
- Designed full brand identity, promotional posters, and marketing content.
- Handle customer engagement, order management, and social media campaigns.

AWARDS & CERTIFICATIONS

- **1st Runners Up** · UIU Project Show — Software Engineering Category (HireMe)
- **2nd Runners Up** · UIU Project Show — FYDP Phase 1 (SecureWSN)
- **LinkedIn 101** · Grameenphone Academy
- **Corporate Presentation Skills** · Grameenphone Academy
- **Smart CV** · Grameenphone Academy
- **Art of Communication** · Grameenphone Academy
- **Sharpen Your Interview Skills** · Grameenphone Academy
